SIR,

With reference to your letter Camp No. R.52/R.M. 9-27 dated 1st June 1928 requesting me to report, in consultation with the Deputy Commissioner, Mysore District, whether traffic, both in-coming and out-going, may not be tolled at Yelwall Toll Gate also, as at other gates, I have the honour to state that the Deputy Commissioner in his letter No. D4-4479/27 dated 18th June 1928 opines that toll may be levied both ways as he does not see any reason for differential treatment. I agree with the Deputy Commissioner.

Tolls - compounding fees..

I have the honour to forward herewith a letter dated 21st March 1928, received from Khan Bahadur P. Pallonji enquiring what the compounding fee for Yelwal Toll-gate is, likely to be, considering that this gate is intended for levying tolls on only incoming traffic and to request that orders of Government may kindly be obtained early as the orders now in force are not clear on the point.

Sir,

Mysore Government Gazette dated the 9th Febry 1928, Part I, page 78, Tolls.

3068/142-29. 23.3

In clause 4, the Deputy Commissioners are declared competent to compose tolls on Motor Vehicles plying for hire. In clause 4, in para (2) it is mentioned Rs 400/- per annum as compounding fees for motor vehicle of class I (b). I think this is meant for toll gates where tolls are levied both for incoming and out-going traffic. But in a place like Yelwal where the toll is fixed only for incoming traffic, what is the amount of composite fee that the bus owner is supposed to pay. In the Mysore Gazette nothing is mentioned on this point.

I, therefore, request the favour of your moving the Government in the matter and get its decision on

No mention has been made in the Committee's report about the distinction to be made between the incoming & outgoing traffic. As it is stated that this fee (Yelwal) is intended for levying of tolls on incoming traffic only, full composite fee ~~has~~ is perhaps leviable, no distinction being made ~~for~~ between incoming & outgoing traffic.

7) This subject was not considered by the Committee which confined itself to general principles re rates and exemptions. They considered that the present composite fee (Rs 400 & Rs 200) do not call for any change. This fee may be levied at Yelwal.

8) In this connection it may be pointed out that Yelwal is the only principal gate at which traffic in one direction alone is
